### PEOPLE IN EDUCATION -- THE UNIVERSITY OF MONTANA

Forestry Research Associate Professor Paul Hansen and Professor Robert Pfister will use \$2,000 from the Bureau of Land Management to continue their riparian inventory in Montana and North Dakota and \$2,000 from the Montana Riparian Association for collecting riparian habitat samples. Pfister will also administer \$10,500 from various sources to operate the Inland Northwest Growth and Yield Cooperative.

Mathematics Associate Professor James Hirstein will use \$7,000 from the Office of Public Instruction to conduct an in-service graduate course on resources and activities for presenting probability and modeling in grades 7-12 mathematics courses.

Political science Professor James Lopach will conduct the 1991 Taft Seminar for Teachers with \$17,394 from The Robert A. Taft Institute of Government.

Forestry Associate Professor Daniel Pletscher and Kerry Foresman, an associate professor in the biological sciences division, will use \$1,035 from the Dan Palmisciano Memorial Fund of The Wildlife Society's Montana Chapter to continue their furbearer research on beavers and fishers.
